REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Applicant's arguments, see pages 5-17 of the appeal brief, filed 11/24/04, with respect to the rejection of claims 1-5 and 8-11 under 35 U.S.C. 103(a) over Hunt in view of King et al. have been fully considered and are persuasive. The rejection of claims 1-5 and 8-11 has been and withdrawn.

It is agreed that the secondary reference to King et al. teaches casting but there is no extrusion being performed as claimed. Furthermore, there is no specific teaching in King et al. of using at least about 12 grains in the cross section. Therefore, the combination of Hunt and King et al. would not arrive at the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
